*Step description taken from one sent by Bob Jupp, Capitol Country Line Dance Clubs, London, UK. "I've been using this as a beginners dance for a long long time and I've never known the choreographer. This is a dance I was taught many years ago. There is no hook on count 8, just a simple hitch or it won't flow with the slightly faster recommended music." Bob Jupp 106411.235@compuserve.com*
