Start Again.

This dance is really a tribute. I learned Louisiana Way line dance in the UK. It was a line version of the partner dance written by Diane Jackson, arjjaze@arjjaze.free-online.co.uk. The line dance had a nice feel to it but was 50 counts long. I wanted to do a dance to this song that was 64 counts. I will not change someone else's dance so I decided to write one. This has a similar feel to her partner dance. If you already do a dance to this song, I have listed some other country songs it works to, or pick your own... (:
